### **THE WELL ARMED WOMAN CHAPTER – SOUTHEASTERN WISCONSIN**

This Friday evening, 7pm, May 12<sup>th</sup> here at the Training Center located inside Shooters' Sports Center, we will be hearing from one of the co-leaders of Wisconsin TAWW. Rita is also trained in many firearms disciplines, but most of all – is ready to present a program as to why you should consider joining TAWW.

We are excited to be the host range for the newest TAWW chapter in Wisconsin! The goal is to have meetings/events planned for at least once per calendar month beginning in May (May 12<sup>th</sup>). The goals of TAWW are to Educate, Equip, and Empower women through organized training opportunities, women-specific product introductions, and women-focused strengthening in the discipline of firearms handling.

Here at Shooters' Sports Center, we are committed to ensuring that all customers and firearms handlers, are safe, fully supported by our staff, and feeling wholly satisfied by their experience at The Shooters' Sports Center.

As a new chapter, we are looking for ideas from women as to their interests in equipment and special educational programs that are directly or peripherally about firearms and related sports. We aim to please, so let us know what you think we need to provide total satisfaction!

Stop in and get a flyer on the TAWW and join us!

If you have specific questions about TAWW that can't be answered reviewing the FAQs at [WWW.THEWELLARMEDWOMAN.COM](http://WWW.THEWELLARMEDWOMAN.COM), send an email to [info@thewellarmedwoman.com](mailto:info@thewellarmedwoman.com).
